A PASSENGER TRAIN TO KANDOS

Celebrate and Experience a Tour along this very scenic line

CPH Rail Motors 1, 3 and 7

Sunday 21 January 2018

The Rail Motor Society and ARHS*nsw* have been given the opportunity to run a heritage train to Kandos Station by the line operator John Holland on Sunday 21st January 2018. The train will consist of the three CPH Rail Motors Nos. 1, 3 and 7 from the Rail Motor Society at Paterson. Come and join us for this nostalgic trip to Kandos on the truncated Mudgee line. Our special train is expected to depart Sydney Central around 7.40am. A Devonshire morning tea is included and will be served at your seat as the train crosses the Great Dividing Range through the Blue Mountains.

At Wallerawang we take the branch line through Piper's Flat, Portland, Cullen Bullen, Ben Bullen and onwards through the magnificent Capertee Valley. Continue on through Clandulla and Charbon to our destination at Kandos.. Following our arrival at Kandos, expected around 1.00pm, there will be a short walk to the Kandos Hotel where a typical country pub lunch will be served. There is the option also to bring your own picnic lunch or make your own arrangements. After lunch, take a walk along the main street taking in the life of what is now a quiet country town before returning to the station.

Rejoin the train for a 3.00pm departure that is due to return to Sydney Central by 8.30pm. Afternoon tea will be served as we return through the afternoon glow so spectacular in the Capertee Valley.

The train will pick up and set down at Strathfield, Parramatta, Blacktown and Penrith.Tour notes will be available on departure from Sydney.
