# A TOUR in the CPH RAIL MOTORS to RYLSTONE

## Saturday 10 October 2020

An opportunity has provided the ARHS NSW Division and The Rail Motor Society to organise a special rail tour in the CPH Rail Motors to Rylstone. The railway to Rylstone, a town in the Central Tablelands of NSW, some 256 Km from Sydney opened On 9th June 1884 and closed with the line on 2nd March 1992. The Line reopened on the 2nd September 2000 and closed again 30th June 2007. In 2018 the 7 Km section from Kandos was refurbished to enable heritage trains to visit the Kandos – Rylstone Heritage precinct.

Our tour has been given permission to travel along the re-opened extension from Kandos to Rylstone Station on the currently truncated Mudgee line by the Country Rail operator John Holland.

On Saturday 10th October 2020 our train will consist of the heritage CPH Rail Motors from The Rail Motor Society at Paterson. A departure from Sydney Central is expected around 7.40am. Enjoy a Devonshire Morning Tea served at your seat while you admire the scenery as the train crosses the Great Dividing Range through the Blue Mountains.

The train will pick up and set down at Strathfield, Parramatta, Blacktown and Penrith.

At Wallerawang we take the branch line through Piper's Flat, Portland, Cullen Bullen, Ben Bullen and onwards through the magnificent Capertee Valley. Continue, passing Clandulla, Charbon and Kandos to our destination at Rylstone for lunch. There is the option to bring a picnic lunch or enjoy a lunch at the various cafes or hotels in the town. After lunch, take a walk along Rylstone's Main Street taking in the historic buildings and life of what is now a quiet country town before returning to the Station.

A bus will be provided to transfer passengers from Rylstone station to the town centre and return. Re-join the train for a 3.00pm departure that is due to return to Sydney Central by 8.30pm. Afternoon tea will be served as we return through the afternoon glow so spectacular in the Capertee Valley. The train will then return to Broadmeadow and Paterson.

The Rail Motors will be travelling to Sydney on the Friday to be in place at Central for the Saturday morning departure.

Travellers are welcome to join the train for this trip from Paterson, however you will need to make your own accommodation arrangements in Sydney for Friday Night.

Tour Notes will be available on departure from Sydney.

Here is your chance to travel on some on lines not now serviced by regular passenger trains to the far West of New South Wales travelling over 5 days on your own private train in RAIL MOTOR HPC 402.

Day 1. An early departure for those travelling from Sydney to Broadmeadow via the Newcastle Intercity Service. Use your Opal card for your trip departing at 7.15am and arriving at Broadmeadow at 9.55am. Join 402 departing at 10.00am to commence our travel through to Maitland from where we head up the Main North Line to Singleton and Muswellbrook. A packet Lunch on board as we take the cross country line through Ulan to Gulgong for our first night stay.

Day 2. Enjoy a hearty breakfast before we depart on a full day 485km trip from Gulgong. Our first section is to Merrygoen to reverse and continue to Dubbo for Lunch. Proceed westward across the Macquarie River for the run through to Narromine, then north west to Trangie, Nevertire, Nyngan and Cobar. On arrival we transfer to our Motel for a 2 night stay.

Day 3. Depart Cobar for the short run on the Mine Branch. Return to Cobar for a Coach Tour of the district including a visit to the local Museum with time for lunch in town. We return to our Motel for our second night stay.

Day 4. Departing Cobar we retrace our path to Narromine for lunch. We reverse to continue our journey with a run over the recently reconstructed and up graded 110km section of line that is to become a part of the new Inland Freight Line to Goobang Junction. Proceed into Parkes station where we transfer to our Motel for our last night stay.

Day 5. After breakfast, return to Parkes Station to join our train for the pleasant run over the undulating grades to Molong before tackling the Borenore Bank into Orange via the West Fork for a leg stretch on the station. Retrace our path to the Junction again via the West Fork to continue our journey with the 'long end' leading through Blayney to Bathurst for a County Pub lunch at the Victoria Hotel. Continue our homeward journey eastward through to Wallerawang, Lithgow and a run down the Blue Mountains to Penrith and into the suburban west to Homebush taking the north arm of the triangle to North Strathfield to say farewell to our Sydney passengers. HPC 402 will then continue its return journey to Broadmeadow and Paterson.

Your fare includes Rail Travel from Paterson or Broadmeadow, morning and afternoon teas whilst travelling, lunches, Twin Share Dinner Bed and Breakfast accommodation for four nights, transfers to the Motels where required and entry into visited venues.
