## NOVEMBER ARH

Your editor managed to repeat two letters published in the October issue of *ARH* in the November 2016 issue, namely those by Ian Stewart and Stuart Ridgeway. Unfortunately, our final checking prior to printing failed to pick this error up.

Our apologies for this error are extended to all readers.

## *Merry Christmas and a Prosperous 2017*

We wish all our readers all the best for the coming Festive Season and look forward to your support during 2017.

We have an excellent schedule of articles scheduled for *Australian Railway History* during 2017 that cover historical aspects of Australian railway systems and our national network. I trust that you will find the material of personal interest.
