

COVID-19 NOTIFICATION UPDATE

ARHSnsw thanks all its Members, Subscribers, Volunteers and Customers for their support through this ever-changing time. In line with government advice, we are seeing some restrictions being relaxed and accordingly we are reviewing how we return to normal operations. Below is an update on some of the changes that will be implemented from Monday 18 May 2020.

1. Central Station Bookshop will re-open on limited days and for limited hours.
 - Tuesday – 9.30am to 11.00am and 3.00pm to 6.00pm
 - Thursday - 9.30am to 11.00am and 3.00pm to 6.00pm
 - Saturday – 10.00am to 4.00pm

There will also be some restrictions put in place, so we ask for everyone's patience and cooperation:

- Please use the Hand Sanitiser on the way into the store
 - No more than 2 customers in the store at one time, so you may need to wait outside
 - Please observe Social Distancing practices at all times
 - Do NOT come into the store if you have any signs of cold, flu or flu-like symptoms
2. ARHS office hours have also been limited to assist with costs through this period. If you leave a message or email us at mail@arhsnsw.com.au we will answer all queries or return your call.
 3. Tours and Luncheon Club – All ARHSnsw tours will be postponed or cancelled until further notice. If you have paid, a refund will be processed for you.
 4. Railway Digest and Australian Railway History – these magazines will be published as per normal operation.
 5. Membership and Subscriptions – many of these have been completed and we do understand some of you have had issues with the system. If you are still receiving renewal emails, please email us at mail@arhsnsw.com.au so we can investigate. If you have not received your renewal, please ring the office or email us and we can process over the phone using credit card.
 6. The Railway Archive – will remain open to projects and requests by email or phone. The actual centre remains closed to all volunteers and public visitors for the time being.
 7. Fundraising – we have commenced a major fundraising campaign, and this is now even more prudent than before. It will be your generosity that will help the Society survive through this global pandemic.
 8. Henderson Road Opening – this is being reviewed on a weekly basis however will remain closed for now.
