

TO K SET NEWCASTLE

SATURDAY, 27 MAY 2023

JOIN HET AND ARHS FOR THIS UNUSUAL ENTHUSIASTS TRIP
TO BROADMEADOW AND PATERSON.

One of the last remaining airconditioned K Sets will travel to Broadmeadow where we will transfer to railmotors for the leg to the Rail Motor Society at Paterson.

The trip will include two short comfort stops at Hawkesbury River and Gosford on the down journey.

This tour will start at Strathfield due to reduced working in Sydney Yard.

At Broadmeadow, we will alight and board CPH railmotors waiting on the relief road, platform 3. We have time for a break, BBQ lunch and look around Paterson before returning to Newcastle Interchange. We plan two photo stops on the up journey at Booragul and Wyong. We will travel via The Shore after stops at Hornsby, Milsons Point, Central and Strathfield.
